

Our NWPC congregation is again starting to gear up for Code Blue for December. Although this has been quite an unusual year, the need is not only still there but is probably greater than it has been in the past.

This announcement is directed to the food service portion of our mission. You probably remember that we used to have sign-up sheets during coffee hour where you could choose an evening to provide a meal and also where you could pick up index cards listing food and supply items that you could contribute. This year, since we don't have coffee hour, we'll be doing this via SignUp Genius. There is a sheet in the church bulletin (online & print) explaining in detail the dinner casseroles and how to bring them to church. As far as the extra food and supply items, please either call/email Jan Helsel or leave them in the covered box outside the outer door nearest Cheryl's office. They need to be **CLEARLY MARKED** so that they will go to where they're intended - Thanx.

If you haven't received a message from SignUp Genius, please contact Jan (phone: 215-343-3778; email: jjhelsel@yahoo.com) if you want to be included in these SignUp Geniuses (one for meals and one for other foods and supplies) and your email address will be added to the list so that you can sign up for a meal or donations of goods. Also, please contact Jan if you are not comfortable using SignUp Genius on the computer, and she can fill in how you'd like to help without your having to use this online program.

As always, thank you for all that you are doing to make this time a little easier for those whose need is so great. You are a blessing!
